Polsterprogramm **RAMON** mit Komfortfunktionen, erhältlich in Stoff oder Leder, wahlweise mit Kontrastnaht.

FUNKTIONEN

Armlehnen: Stufenloses Verstellen für jede gewünschte Situation, ob Zeitung lesen oder einfach relaxen.

Rückenlehne: Liegen und Anbauecken verfügen über einen Funktionsrücken. Dieser ist in der Neigung verstellbar und bietet somit individuellen Sitzkomfort.

Hocker mit Funktion: Ein bewegliches Kissen kann durch einen mehrstufigen Rasterbeschlag zur individuell einstellbaren Rückenlehne variiert werden.

KONTRASTNAHT

Bei Lederbezügen haben Sie bei der integrierten Ziernaht die Wahl zwischen Kontrastfaden und einem farblich zum Leder passenden Faden. Bezüge in Stoff ohne Möglichkeit der Kontrastverarbeitung.

POLSTERUNG

Polsterung leger/locker mit weicher Oberfläche und warentypischen Wellen.

FÜSSE

Metallkufe in 2 Ausführungen:
– chromglänzend
– nickel satiniert (Edelstahloptik)

ACCESSOIRES

Dekokissen, Flexablagen

Upholstery programme **RAMON** with integrated comfort functions. Available in leather or fabric and with contrasting stitching as an option.

FUNCTIONS

Armrests: Stepless adjustment for every desired situation, whether reading the newspaper or simply relaxing.

Backrests: Recliners and add-on corners have a functional back. This can be adjusted in the recline angle and offers individual seating comfort.

Stool with function: A movable cushion can be varied with a multiple-step catch mechanism for the individually adjustable backrest.

CONTRASTING STITCHING

With leather covers the production of the seam is carried out either with contrasting stitching or with a thread consistent to the colour of the cover (tone on tone). There is no possibility for contrasting stitching with fabric covers.

UPHOLSTERY

A more casual and supple upholstery with a smooth surface and typical undulations.

FEET

Metal runners in 2 versions:
– shiny chrome
– nickel satined (stainless steel look)
